### Cool School Snacks

These savory bites, assembled from rice cakes, cream cheese, and fresh veggies, make a wholesome classroom treat or afternoon munchie.

Tint a small tub of plain whipped cream cheese with blue food coloring, then spread dollops onto mini rice cakes. Cut herbs and vegetables as shown and press them into the cream cheese. To curl the celery, cut slits into one end of a trimmed stalk and place it in a bowl of ice water for several minutes. Finish with mini fish-shaped crackers.
